WAR-TIME PHONE RATES TILL AUG. 1

Are Granted By City Council—Mayor Wants All Complaints of Poor Service

After a lengthy and prolonged argument, participated in by a number of prominent citizens of Richmond, as well as councilmen and officials, the council by a vote of four to two Tuesday night, decided to allow the Cumberland Telephone and Telegraph Company to continue war time phone rates until August 1 next. At that time, the financial status of the company's business here is to be submitted to the council, and an estimate made as to a reasonable and fair rate for service in the city, provided that the council has reason to believe that there has been good service rendered. Many of those speaking at the meeting said they had no objection to paying a higher rate if the company furnishes a satisfactory service something which it seems to be agreed on nearly all sides, it is to agree on nearly all sides, it is not doing now.

Councilmen who voted for the ordinance which continues the war time rates were Messrs. Merriam, Terrill, Allman and O'Neil. Those who voted against it were Messrs. Golden and Powell.

Action of the council was taken in response to a letter making this proposal from D. F. Turnbull, which was published in these columns several days ago. Frequent discussion of telephone rates before the council, has brought the constant insistence on the part of the company that it is not able under the pre-war rate to make a reasonable and fair interest on its investment in Richmond. Several of the speakers at the meeting Tuesday night, questioned the correctness of the valuation of \$116,000 placed upon the company's capitalization here. It was brought out that the plant here is assessed for taxation at only about \$31,000.

A proposal to name an arbitrator after August 1st, if the council and company are unable to agree upon a fair and reasonable rate at that time, was stricken out from the ordinance adopted, it being argued that the council could not delegate its authority. Several members of the council felt also that they were elected to act for the people and should not seek to pass on the responsibility to some other.

Among those who spoke on the matter before the council were Messrs. Waller Bennett, W. B. Smith, G. Murray Smith and others. Attorney J. J. Greenleaf, represented the company. Judge Murray Smith contended that the Fiscal Court of Madison county has a binding contract with the company for service to the people of Madison county, and that the people of Richmond were governed by this contract as well as the people of any other part of Madison county. He argued that the council has no power to make a contract that will seek to supersede, or override the prior contract which the Fiscal Court has made for the whole county. It was intimated that Judge Smith may test out this question.

Councilman Terrill pointed out that efficiency of service to the people will be the governing base of the proposal before the council; that if the company does not give improved service it can no hope for councilman agreement to permit the war rates to stand. In line with this Mayor Evans states that he is desirous of having complaints against the telephone service reported to his office by telephone between the hours of 10 and 3 each day. His biographer will make note of complaints. The mayor says that he is determined that the people shall have a better service if they are to continue the war time rates.

Some question was raised as to whether the company can collect war time rates for the service it rendered during December. No lawyer contended that it could, for the government's war time restrictions expired December 1 and the council has no power to pass retroactive measures.

DEMOCRATS WILLING TO STAND ON TREATY

(By Associated Press)

Washington, Jan. 7.—A resolution endorsing President Wilson's stand on the peace treaty and commending his efforts to establish the League of peace will be laid before the Democratic National Committee at its meeting here tomorrow with the backing of the committee.

"If I have anything to do with it," said Chairman Cummins today, after consulting with various party leaders, "The resolution will leave no doubt about our position. We are behind the President."

This announcement is taken to indicate the treaty would become an active campaign issue.

Both in a letter from President Wilson and in a speech from Wm. Jennings Bryan the treaty is expected to be brought prominently forward at the Jackson Day banquet Thursday night. What they will say and how far their views will coincide, was the subject of spirited discussion today, some leaders foreseeing an interesting situation should they counsel opposite courses.

MINERS ACCEPT IT

(By Associated Press)

Columbus, O., Jan. 7.—The United Mine Workers of America in convention here today ratified the action of their international officers in accepting President Wilson's proposal to end the coal strike on a 14 per cent wage increase basis and a commission to draw up a new wage agreement. According to Acting President Lewis, the ratification carries with it acceptance of any award to be made by the commission. The vote was 1639 to 221.

Mex Kill Another American

(By Associated Press)

Washington, Jan. 7.—Gabriel Porter, an American citizen, in the employ of the Penn-Mex Co., was shot and killed by a Mexican federal army officer at Tampico on December 21st, the American consul at Tampico today advised the State Department. This makes a total of 20 Americans killed in the Tampico district by Mexicans since April 7, 1917.

Tia Juana To Get Big Fight

(By Associated Press)

Los Angeles, Cal., Jan. 7.—Tia Juana, Mexico will get the Dempsey-Carpenter fight," said Jack Kearns, manager for the world's champion, when seen today. "Georges Carpentier has given conditional acceptance of Promoter Cofforth's offer." The arena will be near the race track and the big grand stand of the Lower California Jockey Club.

Cofforth over long distance telephone said he could not give the date of the fight until he heard from Carpentier's manager, but he believed July 4th an ideal time.

Call On National Banks

(By Associated Press)

Washington, Jan. 7.—The Comptroller of the Currency today issued a call for the condition of all national banks at the close of business December 31st.

EASES A COLD WITH ONE DOSE

"Pape's Cold Compound" Then Breaks Up a Cold in a Few Hours

Relief comes instantly. A dose taken every two hours until three doses are taken usually breaks up a severe cold and ends all the gripe misery.

The very first dose opens your clogged-up nostrils and the air passages of the head, stops nose runnings, relieves the headache, dullness, feverishness, sneezing, soreness and stiffness.

Don't stay stuffed-up! Quit blowing and snuffing! Clear your congested head! Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only a few cents at any drug store. It acts without assistance, taste nice, contains no quinine—Insist upon Pape's!

SOVIET AMBASSADOR TO BE KICKED OUT

(By Associated Press)

Washington, Jan. 7.—The Department of Justice has ordered the execution of a warrant for the arrest and deportation of Ludwig Martens, self-styled ambassador of the Russian Soviet government who is said to be the real leader of the Communist party in the United States. The evidence against him is said to be sensational.

BALLARD OPPOSES WOMAN SUFFRAGE

Madison Representative Votes Against Ratification of Federal Amendment

Frankfort, Ky., Jan. 7.—Ratification of the federal amendment looking to woman suffrage assumption of the whip hand by Senate democrats, and delivery of the Governor's message marked the opening day's session of the 1920 Kentucky legislature.

The democratic Senators, with their majority of two, took the "bit in their teeth" immediately after the election of senate officers nominated by naming a Senate Rules Committee, empowered to draft rules to govern senate proceedings and to name the Senate's standing committees.

Both houses were adjourned late this afternoon to be convened again Monday afternoon at 1 o'clock. In the meantime work of drafting rules and naming standing committees will have been completed.

Only democrats have places on the standing rules committee, headed by President Pro Tem Charles M. Harris, of Versailles. The remaining eight are: Wm. Nunn, Marion; Frank Rives, Hopkinsville; Haynes Carter, Elizabethtown; Wm. A. Perry, Louisville; Robert C. Simmons, Covington; L. M. Smith, Harrodsburg; J. W. Harlan, Danville, and J. D. Whitaker, Cannel City.

The joint resolution calling for ratification of the federal woman suffrage amendment passed the Senate by a vote of 30 to 8. I had previously passed the House by a vote of 71 to 25.

Those who voted against it on the final roll call in the Senate were C. W. Burton, Haynes Carter, A. A. Demunbrum, T. T. Gardner, J. W. Harlan, H. T. Morris, Frank Rives, and L. M. Smith, all democrats except Demunbrum and Morris.

Representatives who voted against it were Adams, Ballard, Boling, Carlo, Day, Duffy, Hamilton, Haynes, Holliday, Humphreys, Huntsman, J. W. Johnson, Kelly, Kimbrough, Laughlin, Knott, Laughlin, Myers, Minor, Nelson, Rogers, Strange, J. Mack Thompson, Wheeler, Williamson, and Wynn, seven of whom are republicans. Senator Harlan, Boyle county, led the fight against ratification in the Senate, he advocating instead, woman suffrage by the state route.

URGES CHURCH TO MOBILIZE RESOURCES

The Union Services continue with increased interest in the various churches of the city from night to night. In spite of the unusual weather conditions last night an excellent service was held at the Methodist church. The attendance was unusual for the night. The period of intercession in behalf of the church in relation to the world field was conducted by Dr. R. L. Telford. Dr. H. W. Carpenter made the address on "The Church Awakened by a Vision of the World's Need". He called attention to the fact that in addition to the open world door in non-Christian before the church of a decade ago, now all of Europe is in seeing revolution and unrest and that no prophet could understand to foretell the outcome of conditions there.

Mr. Carpenter made an appeal for the immediate mobilizing of all the resource of the church, for the raising up of adequate leaders and for the arousing of every latent energy of the rank and file of Christendom declaring that the church had the only message that could possibly stabilize the economic, political and religious life of the race. He said that the supreme need of the church was "not adherents but crusaders."

Tonight the meeting will be held in the Sunday school auditorium of the First Christian church and Dr. E. C. Moore will bring the special message. Mrs. Pickels and her music committee will have charge of the music.

WHAT POPULATION HAS RICHMOND?

Census Enumerators Are Active At Work All Over County In Spite of Bad Weather

Madison county census enumerators have encountered fearful weather for the first few days of their work. Many have been constantly on the job from January 2 however, and will have covered their territory completely within the month.

So far as can be learned, no one is objecting to giving in the information sought, but it is understood that all the enumerators are meeting with cordial reception. Much interest is being shown on all sides as to the population that Madison and Richmond will show when the work is completed.

Questions covering the following points are being asked of every person in the United States:

Sex; Color or race; Age at last birthday; Whether single, married, widowed or divorced;

Birthplace of person enumerated and birthplaces of father and mother, giving names of both country and province if foreign born;

Occupation, specifying trade or profession, also industry in which employed;

Whether attending school; Whether able to read; Whether able to write; Whether able to speak English;

Whether home is owned or rented, and if owned whether home is free of encumbrance or is mortgaged;

Persons of foreign birth will be asked questions concerning these additional points;

Year of immigration to the United States;

Whether naturalized, and if so the year of naturalization;

Mother tongue or native language.

Every Farm Visited

Census enumerators also will call at every farm in this community to secure the information necessary to fill out the questions contained on the agriculture schedule.

Each farmer will be asked questions concerning the acreage and value of his farm; whether he owns, rents or partly owns and partly rents the land he farms; the value of the building, machinery and implements belonging to his farm; the quantity of all crops raised on his farm during the year 1919; and many other questions which cover all possible farm operations.

An absolutely accurate and complete census, vitally concerns the welfare of this community and of every person living in it. The official population for the next ten years will be determined by the census of 1920.

Be ready with your answer when the Census man calls at your home.

Now Is a Good Time To Drive Out Cataracts

The Trouble Is In the Blood.

Summer cataract, with its nauseous discharge, stuffed up glands, difficult breathing, and summer colds, is bad enough, but the worst of it is yet to come if you neglect to check the growth that is forming to attack you with ten-fold greater power during the winter. That's why it is so important to treat cataracts and other blood disorders with S. S. S. during warm weather, and thus free the system from all impurities.

It is now an established fact that cataract is in the blood and that lotions and salves do not give relief. The experience of others has proven that S. S. S. strikes at the very root of the trouble and eliminates it. Waste no time in this matter, for it is of the utmost importance. Write to our Medical Adviser about your case. Playing A Losing Game

The state legislature did well to ratify the woman suffrage amendment the very first day of its session and get it out of the way. From the wide difference of opinion between the two suffrage wing, it would have been as big a bugbear as liquor legislation has hitherto been, had it not been quickly and finally disposed of. Now the legislature can go about its real work, and perhaps get something done for the state.

Democratic as it is to the core, the Daily Register regrets to see the state Senate endeavor to force the ratification of appointments made by Gov. Stanley and Gov. Black. Kentucky has just repudiated the past democratic administration by over 40,000 majority and has shown that she wants the republicans to run for spell. Well, they should be given every opportunity. Attempts to continue in office Stanley appointees will not rest well with the people of the state. Of course, the state committeemen, handpicked as they were by Stanley, when governor, would seek to have his other appointees continued in their jobs. The democratic members of the State Senate elected by the people, should rise above partisanship at this time, it seems to us. There can be nothing but constant bickering and constant disagreements between democrats under a republican administration, and the heads of that administration. The people can get no good from such a combination. A divided administration and responsibility never has and never will work satisfactorily. We are heartily in favor of turning the whole shebang over to the republicans, lock, stock and barrel, and let them have every chance. They have made glittering pledges and promises, that if carried out, will help old Kentucky a lot. They should not be hampered, and democrats in the Senate who do so, are playing a mighty small and a losing game for the good of their party and the state, too. Give Morrow and his men every opportunity and the responsibility for success or failure is theirs and theirs alone.

Now Let's Watch the Telephone Service Here

On or before January 10, 1920, telephone subscribers in Richmond pay for telephone service rendered in December, 1919.

Tuesday night, January 6th, the City Council agreed to pay the telephone company (by allowing war rates to continue until August 1, 1920) for services yet to be rendered. The company stated that, if allowed to continue war rates until August 1, 1920, the increased efficiency, (if any) would be taken into consideration as a factor in determining the question as to whether it is entitled to maintain the higher rate indefinitely or for a term of years.

Whether there is an increase in the efficiency of the service is left to the company. Provided material can be purchased cheaper between this date and August 1, there will probably come better service. In the meantime the company has seven more months pay at the higher rate without any legal obligation on its part to render better service.

It asked for and was granted this "velvet" because, because, it asked for it. It was stated on behalf of the Company that at that time it might or might not be able to show the Council that it is entitled to what it was given. What happens between now and August 1, 1920, in Telephone circles will in no way settle a fixed rate for future agreement. A much more equitable solution as to a reasonable profit for the Company could be secured if the Council would examine the past seven months' performance of the Company rather than wait for the forthcoming exhibit promised by it on August 1.

Most telephone subscribers are willing to pay the higher rate if given better service. They want, however, the service first. Inasmuch as the City Council has paid in advance for better service the individual men who are managing the Cumberland Telephone and Telegraph Company's affairs are in honor bound to render better service. Let us hope that they

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through taking them.

Dr. Edwards' Olive Tablets are a vegetable compound mixed with olive oil. They act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood, and purifying the entire system. They do that which calomel does, without any of the bad after effects. Take one or two every night for a week and note the pleasing effect. 10c and 25c a box.

CHANDLER SIX
Famous For Its Marvelous Motor**Chandler Strides into Full Leadership**

If there has ever been any question as to Chandler leadership of the medium-priced fine car field, it is answered now. The great Chandler Six is sweeping its market. It displaces less efficient cars. It steps in to serve those who previously have chosen only high-priced cars. And it pleases everywhere.

From two thousand to three thousand discriminating Americans bought Chandler cars—open and closed—every month this Fall. And at no time has the demand been fully met. Thousands have waited months for their new Chandlers, and have felt repaid for waiting.

Nothing could more clearly show the regard in which America holds the Chandler Six, than the patience with which these thousands waited for weeks and months for their Chandlers. They waited because they knew what they were waiting for—because they knew it was worth waiting for.

CHANDLER MOTOR CAR COMPANY, CLEVELAND, OHIO

DISSOLUTION SALE OF TWO HIGH CLASS FARMS IN Woodford County

These two farms known as the Cleveland place splendidly located on the Versailles and Lexington turnpike, will be sold at auction on the premises, on

January 10, 1920 At 10 a. m.

FARM No. 1—Contains 144 acres and is just two miles from Versailles on the Lexington-Versailles-Frankfort interurban line at Stop 31. It contains an excellent farm seven room residence—equipped with water, lights and bath. It has a stock barn with basement and silo, one of the best in Woodford county, a new tobacco barn 120x40x120, a shingle roof and painted, also a small tenant house. About 50 acres of this farm is in blue grass, 40 acres in old clover, 30 acres in corn last year and 24 acres in barley sown to bluegrass. Fine stand

This farm will be sold in five tracts, each tract facing on Versailles and Lexington pike, as well as the interurban, and each tract has beautiful building site. The land is of the best that Woodford affords, the locality is the best in the county, the neighborhood is the best in the state.

The small farms will sell separately and not as a whole and the largest tract will not contain over 75 acres.

FARM No. 2—Contains 144 acres and is located about five hundred yards from tract No. 1, on the same road. This tract has a six room brick house, large tobacco barn. 30 acres of this farm was in corn and tobacco last year and the balance in orchard and clover. It has a splendid well at the house, good pond, set by a living spring, well fenced and is naturally as good land as there is in the county. This farm will be sold in two tracts of 64 and 80 acres.

The owners, C. A. Howard and Wm. McCabe, have instructed us to sell without reserve the above described property.

We will furnish a band of music to entertain the crowd and souvenirs will be given to those attending the sale.

The Cleveland place is one of the noted historic estates of Kentucky. It was the old Crittenden home, the birthplace of John J. Crittenden, subsequently the home of the father of Admiral John Crittenden Watson, U. S. N. For 65 years the property was owned by the Cleveland family. It is an unequalled opportunity to secure a real country home, having every advantage of location and environment, near one of the best towns on earth, where you can educate your children and attend any church of your choice, being on one of the finest highways in Kentucky and on the interurban line. It has frequent car service to Versailles, Lexington and Frankfort. You simply can't beat it anywhere.

Terms liberal and made known on day of sale.

Good Health Creates An Attractive, Magnetic Personality and Wins Admiration

Healthy People Are Happiest
Pepto-Mangan Has Put Thousands Into the Healthy, Full-Blooded Class

How the red-blooded, energetic and attractive man or woman is envied by those who feel that it will always be their unfortunate lot to be thin, pale, and weak-bodied!

And yet why continue to envy men and women who possess a vigorous, healthy, physical condition and an attractive, magnetic personality? Poor health and lack of vitality are often merely the result of impoverished blood.

Gude's Pepto-Mangan is for people whose bodies suffer from lack of proper blood nourishment. Pepto-Mangan enriches the blood and increases the number of healthy red blood cells, which are so necessary to carry the proper nourishment, vigor, and strength to every part of the body.

Physicians introduced Gude's Pepto-Mangan to the public because they knew it contained the very properties that are so sorely needed to build up thin, watery blood. For your convenience Pepto-Mangan is prepared in two forms, liquid and tablet. Both contain exactly the same medicinal value.

Insist on the genuine Pepto-Mangan. To be sure you are buying the genuine Pepto-Mangan.

LALLEY LIGHT and POWER

Why We Are Selling
Lalley-Light

The day of electricity on the farm is just dawning.

Lalley-Light has convinced us that it is, by far, the most reliable, efficient and economical farm electric light and power plant on the market.

In brief, these are the reasons why we have taken on the local retail sale of Lalley-Light.

This plant has ten years of successful, every-day farm use behind it.

Its dependability, its quality, its low cost of operation, its long life and its almost total freedom from repairs and replacements are established facts.

We take no chances in recommending Lalley-Light; and the farmers who buy it take no chances.

Lalley-Light means the end of a great deal of inconvenience and discomfort; the saving of much farm labor; and a degree of fire protection impossible with open-flame lights.

It means running water in house and barns, if the owner cares to install a water system.

It means power to run cream separators, churns, washing machines and half a dozen more labor-saving devices.

We believe so thoroughly in Lalley-Light that we have contracted for a stock of plants, from which installations can be made without shipping and other delays.

Lalley-Light, once the buyer and his family have familiarized themselves with its simple mechanism and its operation, needs practically no service from the dealer.

Nevertheless, we are prepared to render whatever service may be necessary, now or in the future.

Our salesrooms are equipped to give you a demonstration of Lalley-Light in operation.

Or, if you prefer a demonstration at your home, telephone or we shall be glad to give it, without cost or obligation to you.

IMPORTANT DECISION
ON CITY'S WATER RATES

Fourth class cities all over Kentucky are affected by a rendered by the Supreme Court of the United States Monday, in which it is held there is no authority conveyed by the laws of Kentucky that empowers a municipal city to fix maximum rates for water to be furnished the city for private use.

This decision was given on a case in which the Winchester Waterworks Company contested an ordinance passed by that city to fix maximum rates. The water company brought the suit in the Federal Court for the Eastern District of Kentucky to enjoin enforcement of the ordinance, and made the contention that no power had been granted the city of Winchester to do so by the Legislature of Kentucky.

City officials of Winchester, however, answered the brief filed by the Waterworks Company with the claim that it had authority under Subsection 25 of Section 3490 of the Kentucky statute.

In its decision, handed down the Supreme Court says: "In examining Subsection 25 we are unable to discover any grant of authority to fix the rates for water consumption."

"His language is certainly far from that expressing authority to regulate rates which is essential in order to enable municipalities to do so. Nor do we find in other sections of this section any provision from which the ruling to fix the rates

of water companies can be inferentially deduced."

The decision of the Supreme Court is regarded as important, affecting the situation existing in a number of Kentucky cities.

Mrs. G. G. Gilbert, widow of G. G. Gilbert, of Shelbyville, former Representative from the Eighth Kentucky Congressional District, died at the home of her daughter, Mrs. Geo. Langford in Louisville.

AN ORDINANCE

Providing rates which may be charged by the Cumberland Telephone & Telegraph Company.

Be it Ordained by the Board of Council of the City of Richmond, Kentucky, that the proposition by the Cumberland Telephone & Telegraph Co. for the continuance of its present rates as set forth in a letter from D. F. Turnbull, General Manager, to the Honorable L. P. Evans, Mayor, dated December 30th, 1919, with the changes and omissions hereinafter noted, be and it is hereby accepted; and the right to continue said charges for the period stated in said letter is hereby granted subject to all the conditions and restrictions contained in said letter, and provided further that the efficiency and promptness of the service hereafter furnished by said Company's Richmond exchange shall be considered as a factor in determining the fairness and reasonableness of the rates and charges which may finally be allowed to the said Company under the terms of said letter. Said letter, as amended and accepted, is in words and figures as follows:

December, 30, 1919.

Hon. L. P. Evans, Mayor,
Richmond, Ky.,

Dear Sir:

The Cumberland Telephone & Telegraph Company herewith submits the following proposition:

Said Company to continue to charge for its local exchange service at its Richmond, Ky., exchange until August 1st, 1920, the same rates and charges now being charged, said rates and charges being the rates and charges promulgated by the Postmaster General.

On or before August 1st, 1920, said Company shall furnish to city authorities a complete financial statement showing the result of said Company's operations at its Richmond, Ky., exchange for a period of twelve months, charging for its local exchange service at the aforesaid rates.

When such statement is furnished as aforesaid, the city authorities of Richmond, Ky., and said Company will enter into negotiations to determine what will be fair and reasonable rates and charges for said Company to charge for its local exchange service at its Richmond exchange.

In the event the rates eventually fixed under the terms hereof are less than the rates being charged, said Company will refund to its patrons the difference between said rates which may have been paid to said Company for services rendered from December 1st, 1919, to August 1920.

Said City of Richmond through its legislative council shall take such appropriate action as may be necessary to carry out the terms of this proposal.

(Signed) Cumberland Telephone & Telegraph Company, Incorporated. By D. F. Turnbull, General Manager.

All ordinances and resolutions in conflict herewith are hereby repealed. This ordinance shall take effect from and after its passage and publication as required by law.

Adopted this Jan. 6th, 1920
L. P. EVANS, Mayor.

January Clearance

AND PREINVENTORY SALE

Starts Saturday, January 10th, and Closes Saturday, January 24th

Our entire stock will be offered in this Clearance Sale at prices that are positively lower than the wholesale prices today of the same goods. Men of experience in the manufacture of various raw materials, such as Cotton Goods, Silks, Etc., tell us that the crest of high prices has not been reached, and with the present high cost of raw materials and labor, the next twelve months will see no relief. So with conditions as they are today you can see that it is to your advantage to buy your needs now. We are going to make this sale the biggest in the history of this store if good merchandise and right prices will do it, and we urge you to be here SATURDAY, January 10th., when thousands of dollars worth of merchandise in all the best goods in every department goes on sale.

PRE-INVENTORY SALE OF ALL WOMEN'S, AND MISSES READY-TOWEAR APPAREL

Following our usual custom, we make a clean sweep of all merchandise possible so as to invoice a small stock. No garments may be carried over from one season to another, insuring at all times of receiving the very newest Dame Fashion may produce. To do this we have lost sight of the cost of garments and have made such reductions in our Ladies' and Misses Suits, Coats, Dresses, Skirts, etc., that will insure the closing out of every garment in this department during this sale. As the selections are good now it will pay you to attend this sale during the opening days before the immense stock is broken.

A CLEARANCE SALE OF SHOES

Shoes for Men, Women, and Children. It is a well known fact that we handle the very best brands of shoes for Men and Boys; also the celebrated Queen Quality brand for ladies, and although shoes of all kinds have advanced in price and will be much higher for spring, we are offering our entire stock at reduced prices for this sale. Shoe up now and save money.

PRE-INVENTORY AND CLEARANCE SALE OF MEN'S, BOYS' AND YOUTH'S CLOTHING

We have just received a large delayed shipment of Clothing. These goods were bought for our Fall business and owing to circumstances over which the manufacturers had no control, they could not ship them as they promised to do. The shipment comprises all the best things in Men's and Young Men's Suits and Overcoats, and having been contracted for several months ago, the price on them is far below the present market value. These special new Suits and Overcoats, also our entire stock of Clothing have been marked down to make a big clean sweep Clearance Sale. So come and see them now.

The scarcity of merchandise of all kinds and the high prices we are having to pay for goods for our spring business, should make this sale a "New Year's Gift" to all who take advantage of the good things we are offering.
